

**Dr.NTR Vaidya Seva Trust**  
**Government of Andhra Pradesh**

**Circular**

**Dr.NTRVST/P&C/ 133/2017,dated:11/10/2017**

**Sub: Creation of Disease specific and District specific groups on Kaizala app.**

**Ref: As discussed with CEO, Dr. NTRVST on 03-10-2017.**

\*\*\*\*\*

It is to inform that as per the instructions from the C.E.O, Dr. NTRVST the chat groups on Kaizala app were created district wise for NWHs and treatment specific groups for the patients. The District group will consist of MD and MEDCO of each NWH, District Coordinators and officials from Dr. NTRVST. The main intention of this is to bring transparency of Trust services and improve communication. The patient's groups will encourage the beneficiaries to share their opinions among other co-patients and clarify their doubts. This reduces the anxiety and encourages the patients to seek medical care in time if required.

In this regard, all the District Coordinators (DC) are asked to add the MD and MEDCO of each NWHs of their district. All the Vaidya Mithras are asked to take an active role in adding the beneficiaries into the patient groups as stated below besides helping the beneficiaries to know about the Kaizala app, downloading the app and orient them about the benefits of getting added in the group etc. In case of Thalassemia Group and Cochlear Group, the guardians of children should be added in the groups.
